Sir:

Declarant, Eric M. Kamerath, represents that he is an Attorney of Record for WebTV Networks, Inc. a corporation of the State of California, having a principal place of business at 1065 La Avenida Avenue, Mountain View, California 94043 and that he is authorized to make this Declaration and execute this Terminal Disclaimer on behalf of WebTV Networks, Inc. Declarant further represents that WebTV Networks, Inc. is the assignee of the entire interest of the above-identified application, as shown by a copy of the Assignment at Exhibit A<sup>1</sup> and also of the child application, recorded at reel 11880, frame 992 (as shown by the recorded Assignment at Exhibit B). Declarant hereby further certifies that the evidentiary documents at Exhibits A and B have been

<sup>1</sup> This document was filed with the original application. Inasmuch as we have not received the recorded Assignment from that submission, we are re-submitting Assignment documents along with this Amendment and Terminal Disclaimer.

reviewed by him/her, and to the best of the Declarant's knowledge and belief, title is in the Assignee seeking to take action.

The Assignee hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of said U.S. Serial No. 09/875,510 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to said U.S. Serial No. 09/875,510, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

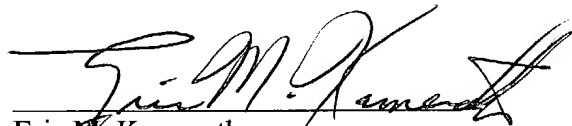

The Assignee does not disclaim any terminal part of any patent granted on the above-identified application that would extend beyond the term of said U.S. Serial No. 09/875,510 in the event that said U.S. Serial No. 09/875,510 later: (a) expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a); (b) has all claims cancelled by a reexamination certificate; or (c) is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Declarant further declares that all statements made herein of Declarant's own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

DATED this 10<sup>th</sup> day of June 2004.
